Applicant: _____

Applicant address: _____

Email address: _____

Applicant telephone number: _____

Attach the following:

- Narrative describing nature of all changes being requested.
- Photographs of site and photograph simulations of proposed antenna, including all areas of change.
- Material sample and color paint chips.
- Site plan indicating extent and location of antenna or addition, buildings and other structure. This site plan shall indicate dimensions of existing and proposed structures as well as any required setbacks in distance triangles.
- Map of the service area for the proposed facility.
- Map showing other existing or planned facilities that will be used by the applicant. Describe the height, mounting style, and number of antennas on each facility.
- Description of height and diameter of existing pole if the facility is co-locating or joint use.
- A map that shows up to a distance of 1/2 mile from the project, single-family residential use or that are existing or zoned.
- Landscape irrigation plan indicating location, type, quantity and size of plants.
- Owner's authorization letter.
- Provide performance bond or security per ordinance Article 4, Division 160, Section 50.
