- 6) Stands for sale of food.
- 7) Construction yards, offices, or trailers.
- 8) Other temporary uses which, in the opinion of the Technical Review Committee, are similar to the uses listed in this section.

What are the guidelines that a Temporary Event must follow?

Each Temporary Event or Use **MUST** meet the following guidelines:

- 1) The use or event and all its components must be at least 25 feet from any public maintained street, or sidewalk, and not impede vision clearance at any driveway or corner.
- 2) Normal clear paths for handicap accessibility shall not be obstructed
- 3) All unimproved parking areas and main walk areas shall be kept in a manner that is safe and prevents dust.
- 4) All sites shall be completely cleaned of debris, equipment and temporary structures including, but not limited to: trash receptacles, signs, stands, poles, electrical wiring and any other fixtures and appurtenances or equipment connected therewith, within one (1) days after the termination of the temporary use or event.
- 5) Sanitary facilities, either portable, or with written permission of the owner, use of sanitation facilities at the existing building on the site, shall be made available within a reasonable distance on site to all sales persons, employees, attendants, and participants of the activity during its hours of operation.
- 6) No area of public right of way may be used without first obtaining approval from the town council.
- 7) Increased traffic caused by the temporary use or event will **not** adversely affect traffic flow or the surrounding neighborhood or town at large.
- 8) The additional parking required by the temporary use or event will be provided on site, if applicable, or adequate street parking is available in the immediate area.
- 9) The proposed temporary use or event will be compatible with adjacent uses and will not adversely affect the surrounding neighborhood by means of odor, noise, dust or other nuisances.
- 10) The proposed temporary use or event is consistent with the comprehensive plan, zoning ordinance, storm water ordinances, municipal code, and other applicable ordinances.
- 11) If large numbers of people or vehicles may be generated, or if the applicant proposes the closing of streets or increased traffic the event may require approval and coordination with other Town departments, including but not limited to police, street, and additional review by the fire department
- 12) Any additional conditions the Technical Review Committee (TRC) determines is necessary. This could include requiring bond or cash deposit in an amount satisfactory to the town to assure adequate clean-up of the premises, activities that occur on vacant, or undeveloped lots, or involving temporary structures.
