**Presentation and Discussion of Town Campus Signage...**

Matt Gullo of Kovert Hawkins came before the Council and submitted a proposal for Campus Signage. Discussion was held and Council President Fetter stated that we should also address signage, or the lack of, in areas coming into Clarksville while we are working on Campus Signage. No further action was taken on this matter at this meeting.

**Discussion of Modification of Insurance Committee...**

Discussion was held regarding modifying the Insurance Committee, which currently consists of 5 members. Discussion was held regarding increasing that number from 5 to 7, which would include 2 representatives from the insurance company, two council members, one member from the Police and Fire Unions, and one member being an employee of the Town. Council Member Stonecipher believes the committee should consist of more members with an understanding of insurance and stated that we need to make some small changes to the policy and premiums now as we won't be able to sustain what we are currently doing. Council President Fetter stated that it would be more beneficial if employees are involved in the process. No further action was taken on this matter at this meeting.

**Adjournment...** There being no further business to come before the Council at this time, Council Member Gilkey made a motion to adjourn, Council Member Voignier seconded the motion and was carried by unanimous vote. The meeting was adjourned at 8:55 P.M.
