Approval of Employment Agreement for Redevelopment Director Services

-Council Vice President, Tim Hauber, read a statement into the minutes. "Clarksville is in final negotiations with three (3) transformational projects totaling \$20,000,000.00. These are time sensitive and will be closing between now and June 2019. We are also in negotiations with several projects exceeding \$50,000,000.00 that will begin initial stages of development over the next eighteen (18) months. The Redevelopment position is crucial to the success of these projects. Today our contract will bring our pay level into the average salary range for the Redevelopment Director position. It will also help secure the development of these ongoing projects, give us a timeline for rehiring for this position, and allowing time for input and the ability to explore potential funding from community partners."

Council Member Stonecipher made a motion to approve employment agreement for Redevelopment Director Services. Council Member Hunt seconded the motion and was carried by unanimous vote, 5-0.

Adjournment... There being no further business to come before the Council at this time, on a motion made by Council Member Worrall, seconded by Council Member Voignier, and carried unanimous vote, the January 8, 2019 special meeting of the Clarksville Town Council adjourned at 6:04 P.M.
