

A MINUTES OF A WORK SESSION OF THE CLARKSVILLE  
TOWN COUNCIL HELD ON MAY 21, 2019

A work session of the Clarksville Town Council was called to order on May 21, 2019 at 7:56 P.M. in the Council Chambers of the Clarksville Municipal Center Administration Building by Council President Paul Fetter who chaired the meeting.

Council members present: Paul Fetter, Tim Hauber, John Gilkey, David Worrall, Aaron Stonecipher, Jennifer Voignier and Jaime Hunt.

**Available Parking on Montgomery Avenue at Clarksville Little Theatre**

Council Member Gilkey presented a parking issue on Montgomery Avenue. The Clarksville Little Theatre currently has a gravel parking area that is insufficient to accommodate the parking needs of visitors. Council Member Gilkey inquired about potential grant funds to help with paving and lighting to improve the Towns Arts District. Director Cummings offered to help determine cost as Public Works will be doing a paving project later in the year in that area with MAC Construction. Further discussion to follow when details are available.

**Update on non-resident sewer project of vacant wooded lots at 8910 County Line Rd and Dovor Woods Drive**

Mr. Jones and Mr. Farnsley updated Council Members on their progress with the Town of Sellersburg, indicating the Town of Sellersburg has declined to grant deannexation of their property. Mr. Jones advised the property was not for development, but was for 3 private homes to be built for their personal use, and indicated the Town of Sellersburg has released the property to allow them to connect to Clarksville's sewer. Council Member Stonecipher raised concerns regarding driveway egress and stormwater drainage on behalf of the residents of Dovor Woods. With these drainage concerns, it was proposed the property owners begin the process to complete the studies with drawings and a plan approved by TRC meeting the Town of Clarksville's standards. It was recommended they return at the first Council meeting in July.

**Discussion of Annual Appointment Process of Department Heads**

Town Manager Baity presented information obtained from other Towns he held discussion with regarding their appointment and retention policy for Department Heads. It was proposed the vetting process become permanent and conducted in the same manner as other Town Employees by going through the application, screening, and interview process, then presented to the Council Members for concurrence. Town Attorney Sturgeon will present an Ordinance draft at the next Work Session for Council Members to review and discuss.

**Adjournment...** There being no further business to come before the Council at this time, on a motion made by Council Member Hunt, seconded by Council Member Voignier, and carried by 7-0 vote, the May 21, 2019 work session of the Clarksville Town Council adjourned at 8:50 p.m.
