

## Public Meeting – Clarksville Sign Ordinance: Temporary Signs

The Planning & Zoning Department is preparing to present modifications of the Clarksville Sign Ordinance, specifically temporary signs (Zoning Ordinance Article IV Division 200-3), to the Plan Commission in early 2020. This ordinance originally adopted in 2011 was updated in February of 2019; some additional updates are necessary. Prior to the Plan Commission meeting we would like to get input from the community on what changes they would like to see made to the temporary sign section of the Sign Ordinance.

The Planning & Zoning Department would like to invite all interested parties to a public open house on Thursday, December 19th at 5:30 pm running until 6:30 pm at the Clarksville Municipal Center. While this is an open house we encourage everyone wanting to attend to be there at 5:30 if possible as the open house will begin with a brief introduction and presentation by Staff. Following the presentation we will transition into an open dialogue where Staff will be available to answer questions, and document input and feedback regarding temporary signs. The information obtained during this meeting will be incorporated in to the final document.

There will be other opportunities for questions and feedback if you are unable to attend this meeting. Information can be sent directly to the department by contacting Planning Director Jacob Arbital at [jarbital@townofclarksville.com](mailto:jarbital@townofclarksville.com). After the December 19th public meeting the ordinance will go to the Plan Commission in early 2020. This Plan Commission meeting is also a formal public hearing, which will be another opportunity for public input and feedback. That meeting date will be announced in late December. After the Plan Commission public hearing, the ordinance will go to the Town Council at which point it will be considered for official adoption.
