

# ONLINE PROJECT UPDATE

August 13, 2020 | Time 6:30-8:00pm

Zoom Public Meeting

Registration Link: [click here](#)

# 3C

CATAPULT CENTRAL CLARKSVILLE MASTER PLAN

## YOU'RE INVITED!

Over the months of June and July, a virtual open house has been available online on the project website. The purpose of this meeting will be to allow residents to ask questions of the staff and consultants regarding the conceptual elements of Catapult Central Clarksville workshop designs. Attendees can submit questions to staff and consultants prior to the meeting and during the meeting to find out more information about the status of the project and how recent economic events will impact the project. Input from the online open house and this meeting will be used by the consultants to create the final preferred concept. The virtual open house will be concluded on August 13th where attendees will be able to ask Town Staff and consultants about the project and provide additional input into the concepts. This information will be used by the consultants to create the final preferred concept.

**This meeting will be hosted through Zoom, please use this link to pre-register for the meeting: [click here](#).** After registering, you will receive a confirmation email containing information about joining the webinar.

The meeting will be held Thursday, August 13, 2020 at (6:30-8:00pm). You may attend via phone or computer to participate. The virtual open house will remain open until Sunday, August 16, 2020 until 5:00pm. You can access the online open house by [clicking here](#).

We encourage you to follow plan progress at [www.3cmasterplan.com](http://www.3cmasterplan.com) and keep an eye out for future meeting announcements, surveys, and additional project materials.
