**Continued Discussion on EMS Service**

Discussion was held regarding EMS Service. Clark County Commissioner Bryan Glover from the County contributed to the discussion. Attorney Fifer stated the Town would like to participate in a County wide EMS program, but the Town has received no information on where ambulances would be stationed. Further discussion was held. The current plan has only one ambulance stationed in Clarksville. The County would be asking \$136,000 annually to cover a percentage of the contract the Commissioner's entered into for the County, via an inter-local agreement. No decision was made at this meeting. County Commissioner Glover advised he would make contact with County Attorney regarding getting an inter-local agreement together and present it to municipalities.

**Adjournment**... There being no further business to come before the Council at this time, the November 17, 2020 work session of the Clarksville Town Council adjourned at 9:25 P.M.
