Continued Discussion of Summer Sprinkling Discount

Utility Director Brittany Montgomery came before the Council and presented information from the past three (3) years regarding the Summer Sprinkling Discount Program. Ms. Montgomery proposed the Town adopt the same program as Jeffersonville, which consists of meters purchased by the homeowner and submitting the usage to the billing office. Discussion was held. Ms. Montgomery also proposed a second option of phasing out the Summer Sprinkling Discount, over a 5 year period, as residents move out of town, then stop the program altogether at the five (5) year mark. Further discussion was held. Council Member Stonecipher suggested a flat credit per year, to each household, giving each resident the same discount. After further discussion, no action was taken. Ms. Montgomery was advised to bring an option to the next Council meeting for a vote.
